Plus +1 Deals

These can be a little tricky and vary from supplier to supplier and even state to state, so we have added a note to each special online to ensure you receive your freebies! When you would like to take advantage of any of our +1 deals, you need to order in the +1 quantity; for example, if an item is on a 5+1 deal, you would need to order in quantities of 6 in order to qualify for your +1. Please give us a call if you require further clarification... we do not want anyone missing out as we cannot credit/send the free product after the order is processed!
